UNITED STATES BANKRUPTCY COURT

DISTRICT OF ARIZONA

STEVEN POULOS,

(xxx-xx-9335)

Chapter 13

Case No. 2-19-bk-01458 EPB

**TRUSTEE'S NOTICE OF FILED CLAIMS AND
POST-CONFIRMATION REPORT ON PLAN,
CLAIMS AND DEBTS**

40738 NORTH ROBINSON DRIVE
PHOENIX, AZ 85086

Debtor.

Claims and Debts. This Notice provides information on the Chapter 13 plan, debts scheduled, and claims filed. A proof of claim is deemed allowed unless the Court sustains an objection to the claim. The deadline for nongovernmental entities to file a claim was 04/22/2019 and the deadline for governmental entities to file a claim was 08/12/2019. **If you file a proof of claim after the applicable claim filing bar date, the Trustee likely will file an objection to it.**

This Notice provides no statement or opinion as to whether a debt might be dischargeable or if the plan contains such language. **If you disagree with the Trustee's representation of your claim or debt, or how it is classified, then contact the Trustee's office in writing (by mail, fax or email), or by 03/03/2020 file an appropriate motion with the Bankruptcy Court.** If an attorney is representing the Debtor, the attorney's contact information is shown below in the claims list. Unless it is explicitly stated in the Plan or Order Confirming Plan, the Trustee does not pay an "informal" proof of claim.

Plan Confirmation. The Court confirmed the Chapter 13 plan on 02/05/2020 and the Trustee expects to begin disbursements under the plan within 30 days from the date of this Notice. As of the date of this report, the amount due from the Debtor is \$5,625.00 and the amount paid by the Debtor is \$7,452.00. Total plan funding by plan payments is to be \$30,860.00, **but this amount might not include additional monies required to be paid in, such as tax refunds or nonexempt monies.** Generally the first plan payment was due 30 days after the petition date, or 03/13/2019. The plan payment schedule is as follows:

<u>Month</u>		<u>Month</u>	<u>Monthly Amount</u>		<u>Total</u>
1	-	5	\$525.00	\$	2,625.00
6	-	6	\$425.00	\$	425.00
7	-	60	\$515.00	\$	27,810.00
Plus Additional Amount to Pay:				\$	1,827.00
			Plan Base Amount:	\$	32,687.00
			Amount Left to Pay:	\$	25,235.00

The Chapter 13 plan is a base or pot plan. Creditors secured by personal property will be paid per the confirmed plan and not necessarily the amount stated in a proof of claim. The interest rate to be paid on secured claims is derived from what is in the confirmed plan or the order confirming plan. The amount to be paid to allowed unsecured nonpriority claims depends on the amount to be paid to higher classes of claims, the length of the plan, the best interests of creditors test, disposable income, and whether the plan payments are timely paid. 11 U.S.C. Sections 1322, 1325. Refer to the Analysis attached to the Chapter 13 plan on file with the Court, and previously mailed to you, for an estimated amount to be paid to all allowed unsecured, nonpriority claims.

Payment on Claims. Generally, the Trustee will pay claims in ascending order of the Payment Sequence number as stated in the following listing of the claims filed with the Court or debts scheduled, grouped by Payment Sequence number. Claim numbers of 100 or less are for creditors who have filed a proof of claim with the Court. A claim number of 200 or greater is assigned by the Trustee for creditors who filed no claim, but the creditor information was provided by the Schedules and mailing list of the Debtor, or for whom the debt is to be paid direct by the Debtor. For creditors scheduled by the Debtor but who fail to file a proof of claim, the Trustee assigns a Claim Number of 200 or greater. **For creditors given a Claim Number of 200 or greater, or a Payment Sequence number of 34 or greater, the Trustee expects to make no distribution to those creditors.**

PAYMENT SEQUENCE	Claim No.	Creditor
---------------------	--------------	----------

00

00	RUSSELL BROWN	Trustee Fee: \$ 3,086.00
The amount of trustee's fee is calculated at the maximum rate of 10% of the plan payments. The actual amount received could be less due to changes in the percentage fee.
